TIME TO BEGIN

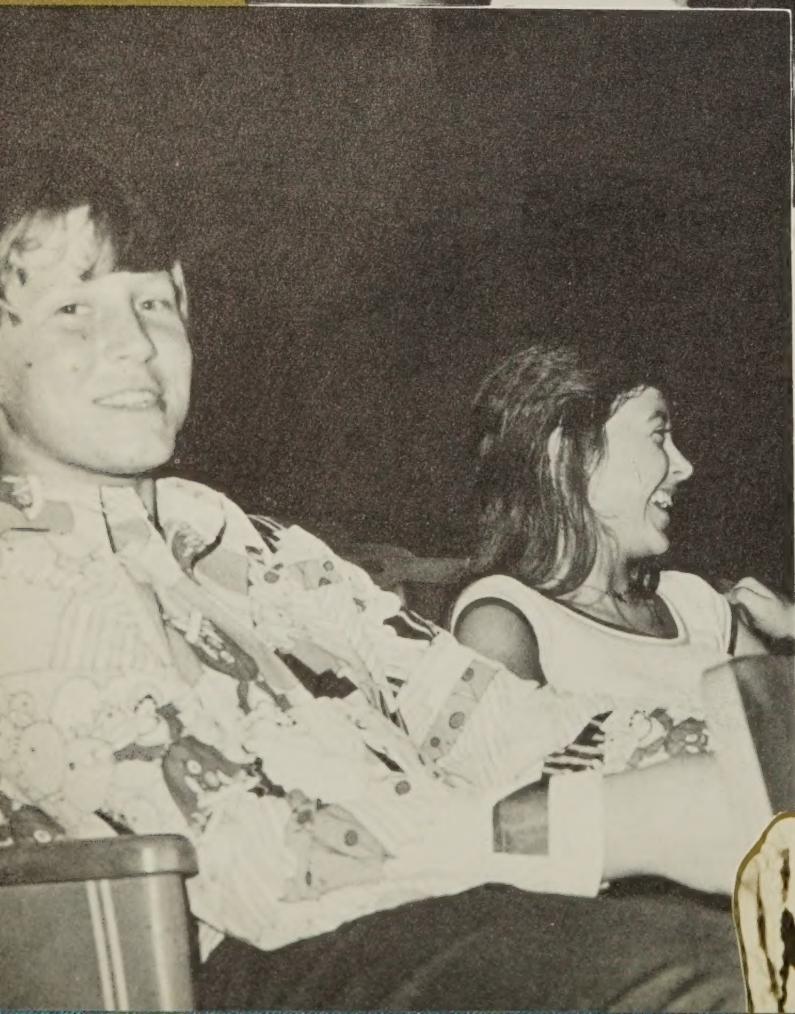

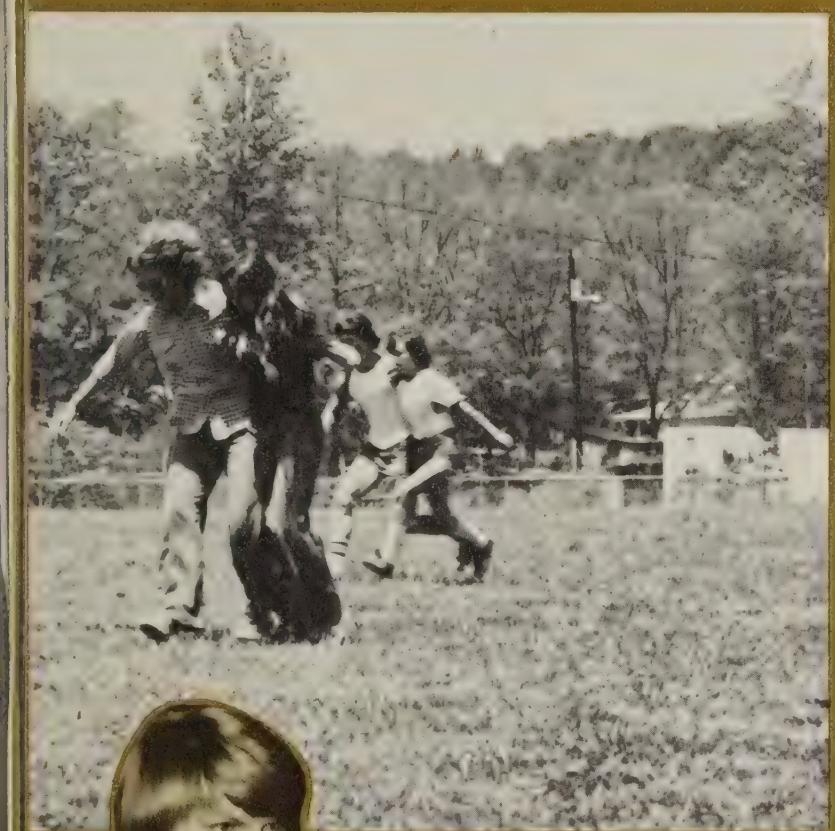

"September means new faces and new friends. It's a time to put away summer freedom and begin a new regime."

"School provides an opportunity for building friendships. I will always remember the friends I make at Kelly. Being together makes it all worthwhile."

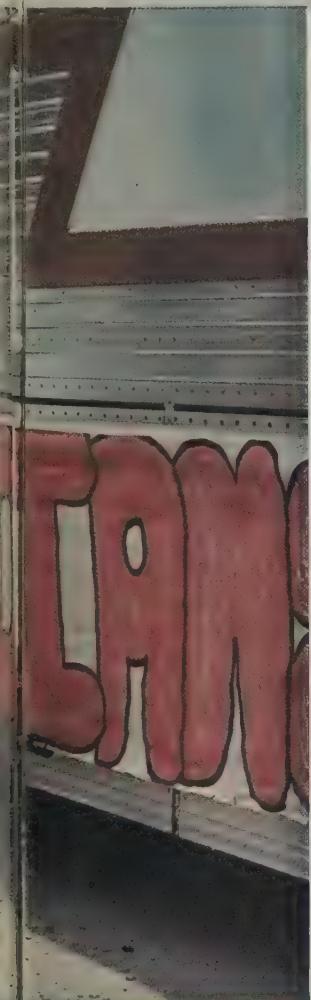

TOGETHER TIME

OVERTIME

"We offer a sport for every taste — football and girls' basketball in the fall, basketball and wrestling in the winter, and golf, tennis, baseball, and track in the spring."

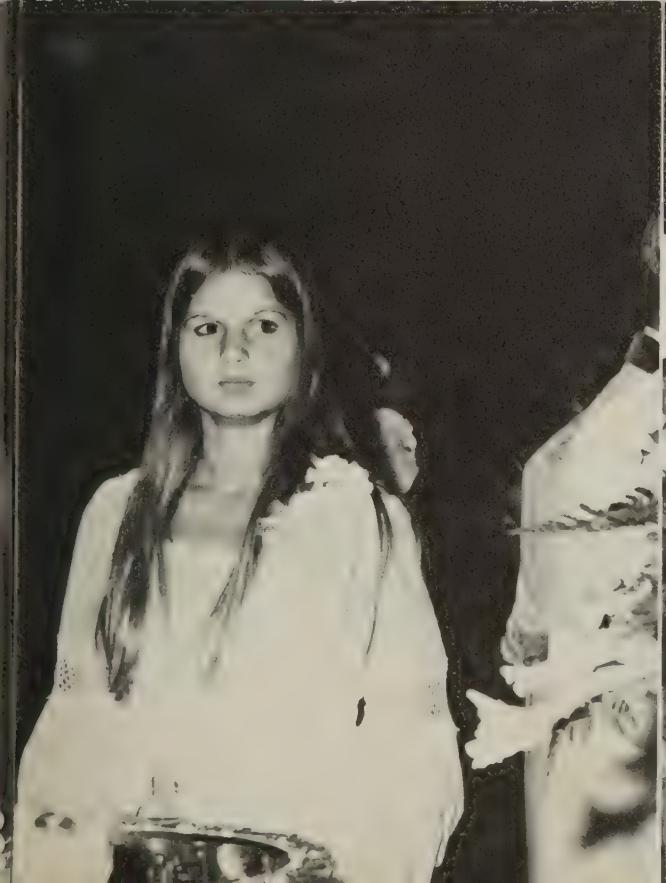

PARTY TIME

"The prom offers a time to dress up, buy flowers, plan an 'after the prom' affair and spend a dreamy evening with your favorite date."

TIME TO LEAVE

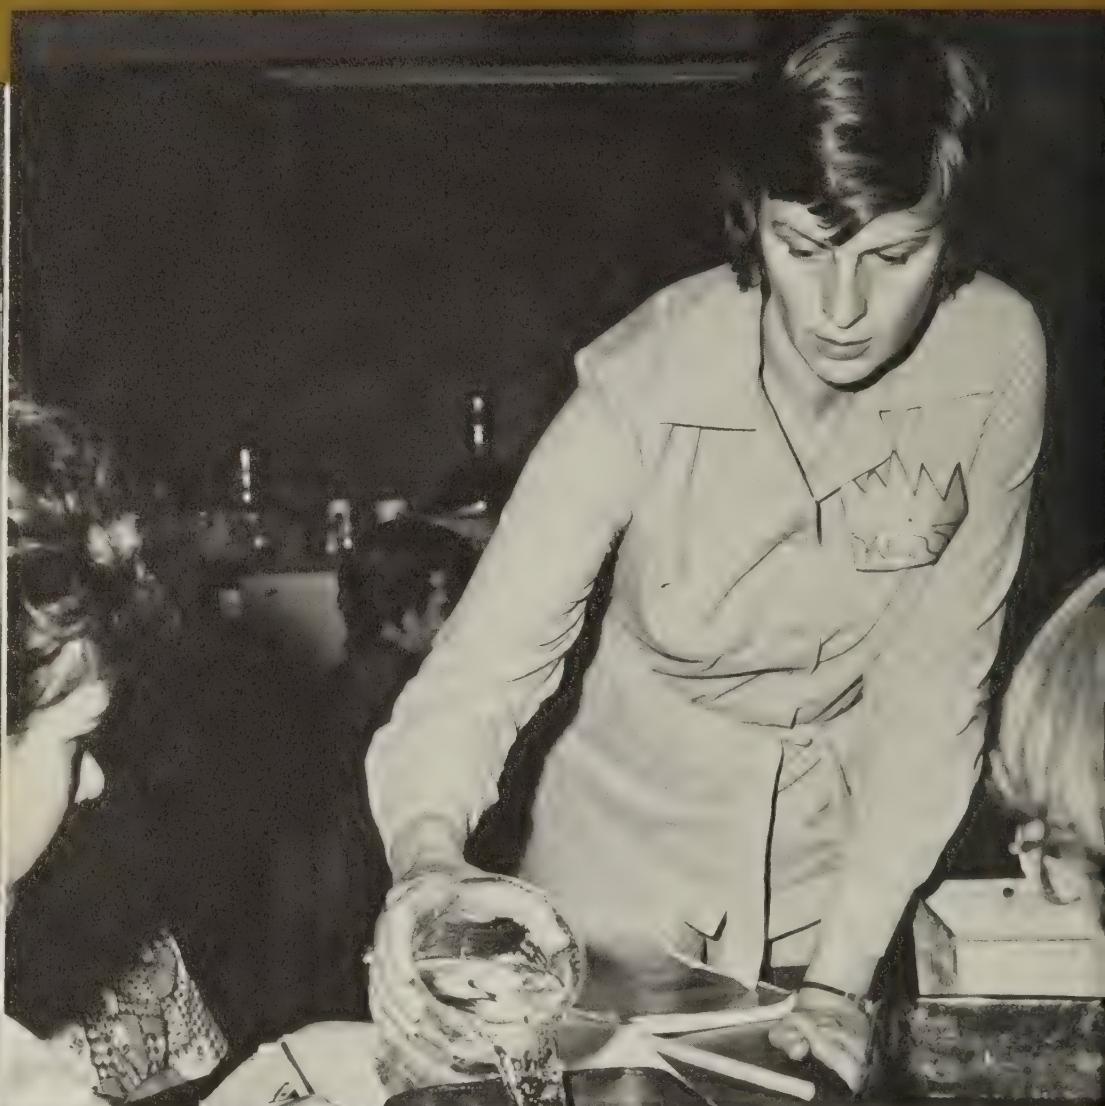

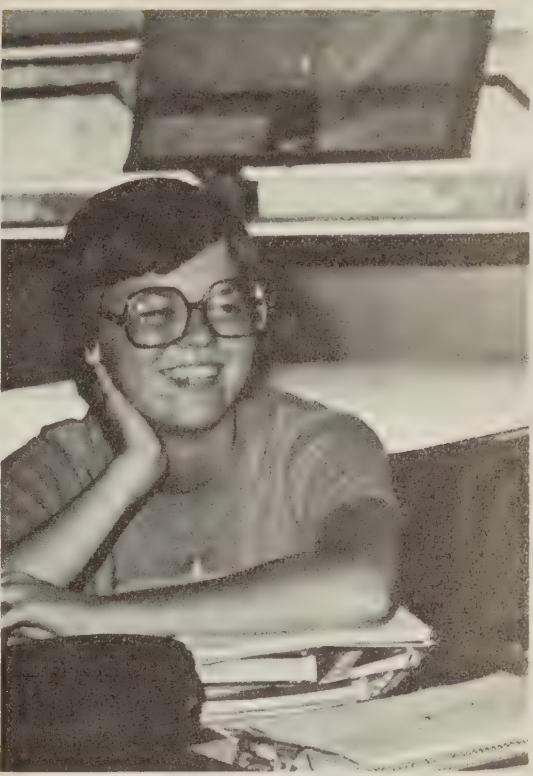

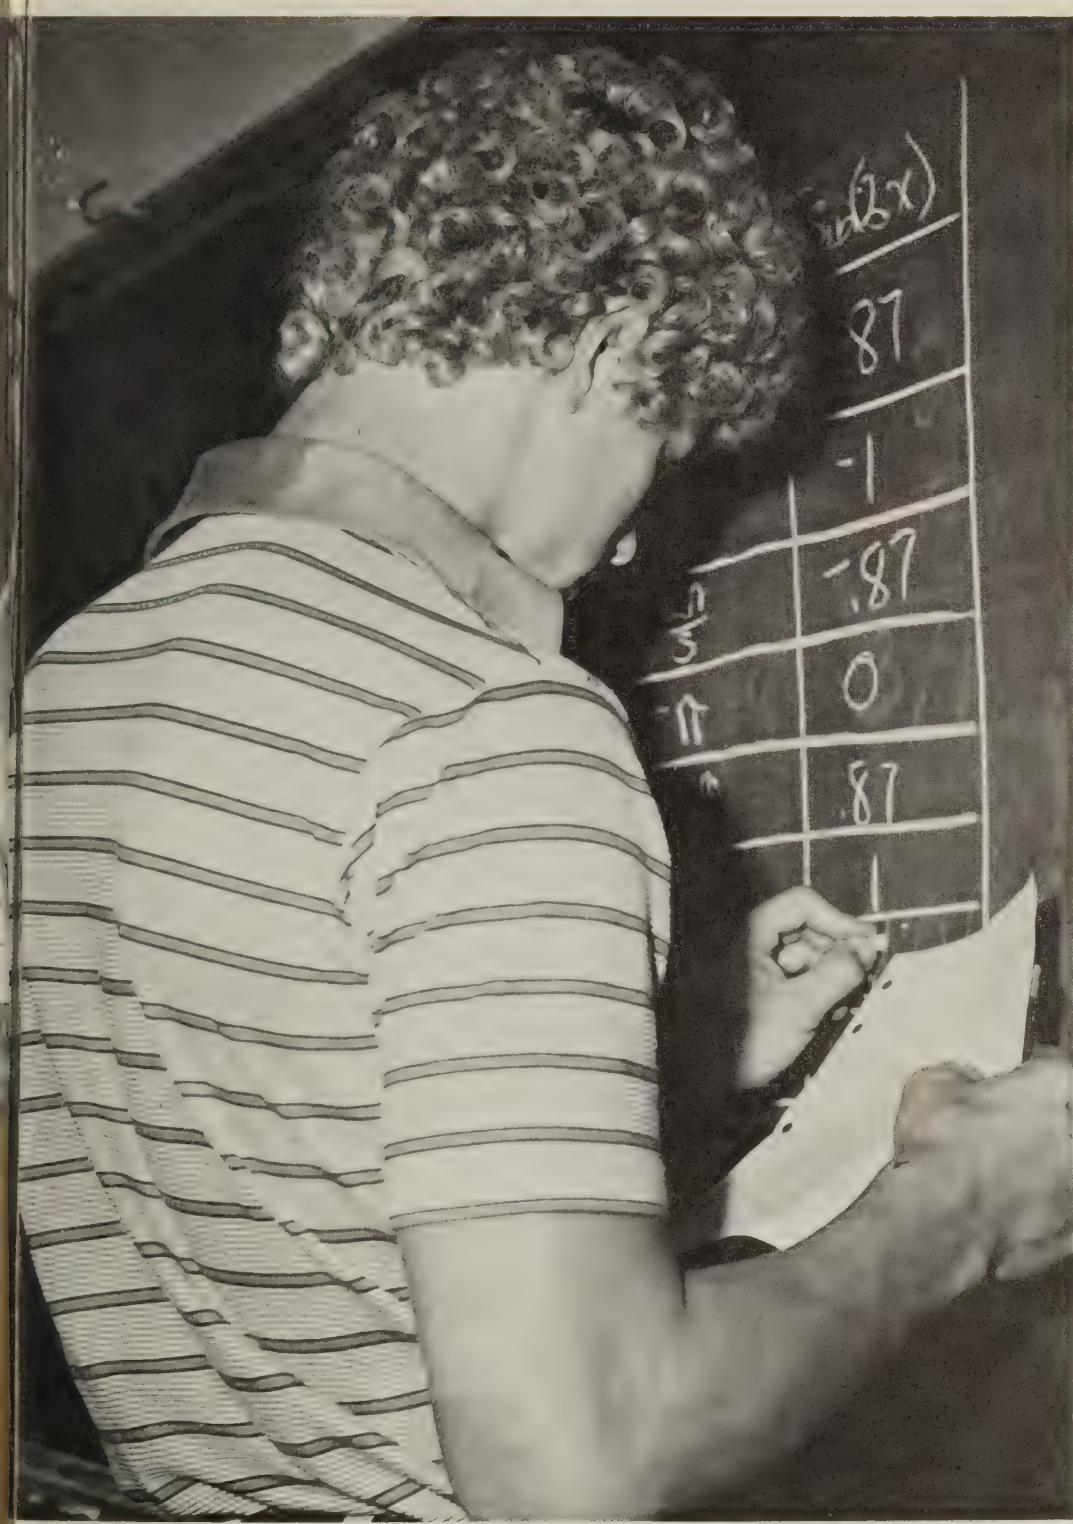

"Graduation makes me sad, but I have to think about the future and make plans. I will miss all my friends at Kelly. Graduation also makes me happy when I think of new experiences awaiting me."

"Classes can be exciting — dull — fun — difficult or easy! The curriculum provides a wide choice of electives. We are required to take English, science, math, and history.

Saturday Afternoon Game Ends Season

The '76 football season brought Kelly a second-place rating in the Lonesome Pine District. Even though the Indians started the season with a loss to Chilhowie 26-7, they made a quick comeback with four straight wins, beating Appalachia 15-14, Castlewood 48-22, Coeburn 14-6 and Powell Valley 35-7. The game with Clintwood was a disappointment when a hard-fought battle ended in a 7-0 victory for the Green Waves. With spirits down, the Indians again lost to Pound by only one point in a 23-22 game. However, the team rallied and won the last three games, defeating Lebanon 19-15, Ervinton 20-6 and Burton 27-14.
